Personal data we process

Ecmanage processes your personal data because you use our services and/or because you provide this information to us yourself. Below is an overview of the personal data we process: first and last name, company name, telephone number, and email address.

Special and/or sensitive personal data we process

We do not process special and/or sensitive personal data.

For what purpose and on what legal basis do we process personal data?

Ecmanage processes your personal data for the following purposes: sending our newsletter and/or promotional materials; being able to call or email you if this is necessary to perform our services; informing you about changes to our services and products.

Automated decision-making

Ecmanage does not make decisions based solely on automated processing that could have (significant) consequences for individuals. These are decisions made by computer programs or systems without human involvement (for example, an Ecmanage employee).

How long we retain personal data

Ecmanage does not retain your personal data longer than is strictly necessary to achieve the purposes for which your data is collected.

Sharing personal data with third parties

Ecmanage only provides personal data to third parties if this is necessary for the execution of our agreement with you or to comply with a legal obligation.

Cookies or similar techniques we use

Ecmanage uses session cookies and session storage on this website. Session cookies are functional cookies intended to ensure the website works properly. Because the session cookies we use are functional cookies, it is not necessary to ask the internet user for permission in advance. These cookies contain a different, temporary number with each visit to the website. Session cookies are deleted after you close your browser.

This website also specifically uses tracking cookies to collect information about page visits. You have already received a dialog to set your preferences for this.

To measure the business use of our website, we use the service of Leadinfo, Rotterdam, The Netherlands. This service shows us company names and addresses based on the IP addresses of our visitors. The IP address itself is not included.

Viewing, modifying, or deleting data

Upon request, we inform visitors to our website about the personal data that is being processed about them. Any incorrect data can be corrected, supplemented, or deleted. If you wish to access this information or would like to amend your personal data, please contact us at the address listed above.

How we protect personal data

Ecmanage takes the protection of your data seriously and takes appropriate measures to prevent misuse, loss, unauthorized access, unwanted disclosure, and unauthorized modification. If you believe that your data is not properly secured or there are indications of misuse, please contact us at info@ecmanage.eu.
